This coloring book is based on the principles and rights outlined in the United Nations Convention on the Rights of the Child (UNCRC), adopted by the UN General Assembly on November 20, 1989, and ratified by the Philippines on August 21, 1990. It also draws from the following Philippine laws:

These laws ensure that every Filipino child is given the right to life, protection, education, health, and development, in accordance with our commitment to uphold the rights of the child.
